

1 INT. RMV OFFICE - DAY**1**

Will and John, both in their 30s, enter the RMV office, holding hands. It's clear that they are a gay couple. They stand by the door, looking at the big number of people who wait in line.

JOHN

That's insane! I'm so glad Aaron works here. He's such a good friend.

Will nods. Aaron, an attractive man in his 30s walks towards them.

WILL

Aaron!

AARON

Will, John, good to see you guys!

Aaron hugs John and then hugs and kisses Will. He hands Will two driver's licenses.

AARON

Here you go, two new driver's licenses.

JOHN

You saved us, man. I would die if I had to wait in line for 3 hours.

AARON

My pleasure! How exactly did you both lose your driver's license at the same day?

WILL

Our wallets got stolen. A robber came over last night.

AARON

Well, I'll see you soon guys.

They hug again and Aaron goes back to his office. Will looks at the new driver's licenses that he holds, but when he gets to John's license his face becomes pale. John puts his hand on Will's shoulder.

JOHN

Are you ok, Willie?

Will keeps staring at John's driver license.

WILL
Why does it say FEMALE?

John looks at his driver license and the SEX says FEMALE.

JOHN
Female?

Will looks at his driver's license again, and his SEX is MALE.

WILL
Why does your sex on the driver's
license FEMALE?

JOHN
I have no idea.

WILL
Are you transgender? Were you born
female?

JOHN
Would it make a difference if I was?

WILL
I don't know... I just hope you
aren't hiding something so huge from
me.

JOHN
I'm not.

WILL
Your driver's license says you
are...

John opens up his bag and gets his passport out.

WILL
What's that?

JOHN
My passport.

John shows Will his passport. John's SEX on the passport is MALE. Will looks embarrassed.

WILL
Sorry Johnny, it must be a mistake,
let's talk to Aaron.

They walk towards Aaron's office.

2 INT. AARON'S OFFICE - DAY

2

Aaron opens the door and sees Will and John.

AARON
Did something happened guys?

WILL
Sorry that we interrupt

AARON
You never interrupt

Aaron has a flirty smile on his face.

WILL
There is a problem with John's
license, the SEX for some reason is
FEMALE.

Will hands Aaron the driver's license.

AARON
Female? That's odd.

WILL
There must be a mistake.

AARON
Let me check.

Aaron looks for John's record on his computer.

WILL
His passport is correct.

AARON
John, John, John... here you are...
that's really odd.

JOHN
What?

Aaron turns the computer screen towards them. John's SEX in
the computer is FEMALE.

WILL
Female?

JOHN
Somebody must have changed it

AARON
That's impossible.

Aaron tries to edit the SEX field on the computer, but gets an error - PERMISSION DENIED.

AARON
The SEX fields are extra secured in our system. Only a special permission lets you change it.

The three of them look at each other confused and lost.

AARON
(flirting with Will)
If I were you I'd suspect my boyfriend was a girl...

There is a knock on the door. Aaron gets up and opens the door, his manager is at the door.

MANAGER
Can I talk to you?

AARON
(to Will and John)
I'll be right back.

Aaron leaves the room and closes the door behind him. Will and John look at each other confused. Aaron's cellphone beeps. Will takes Aaron's phone and looks at the message.

JOHN
What are you doing?

WILL
I think it's Aaron. Aaron changed your SEX.

JOHN
Aaron? He showed us it's impossible.

Will reads the message that Aaron just received.

WILL
Is tonight the night?

He scrolls up and reads another message from the same person.

WILL
I'll help you, if you help me

JOHN
So?

WILL
So? He's having sex with this
mysterious guy who hacked for him
and changed your sex to female.

JOHN
Will, you're paranoid.

WILL
Aaron is in love with me. I'm sure
he thinks that if you're trans, I'd
dump you and be with him.

JOHN
And you wouldn't?

WILL
Are you crazy? I would never leave
you.

Aaron comes back to the room.

WILL
(to Aaron)
Why did you do that?

John ignores them and presses some buttons on his cellphone.

AARON
Did what?

JOHN
(to Aaron)
Can I see my record once again,
Aaron?

Aaron loads John's record and they all look at the computer's
screen. John's SEX is now MALE.

WILL
How did that happen?

John's smiles quietly. Will looks at him suspiciously.

WILL
What are you doing with your phone?

John's smiles and tries to hide his phone, but Will gets it
and looks at the screen.

WILL
What is this?

John is silent.

WILL
Did you do it? Did you hack and
changed your gender.

John keeps smiling. Will clicks a button on John's phone.

WILL
(to Aaron)
Can we see John's sex again?

Aaron loads John's record again. They look at the screen
again - John's SEX is FEMALE again.

WILL
Why did you do that Johnny? Did you
try to test my love for you?

John nods.

WILL
And?

JOHN
(smiles)
I think you passed.

WILL
You think, huh?
